Police Dept.

Chief, Two Officers Investigate Fatal Shooting At Local Auto Court, Jan. 23

FIND REVOLVER

When Carl Bearden returned from work Tuesday morning, January 23, a little after 7 o'clock, he found his wife, Lorine, lying on the kitchen floor of their cabin at a local auto court, he said. Thinking she had fainted, he lifted her to the bed only to discover that she was wounded, shot through the right temple. He ran for help but a local physician pronounced the young woman dead upon examination.

Police Chief William Bolger, Officers Roy Beecher and James Welsh made the investigation of the tragedy. An Iver Johnson revolver, .38 calibre, was found at the scene. Mrs. Bearden, the mother of three children, was 19. Funeral arrangements were pending at the W. C. Lasswell and company mortuary.

Bearden stated that he knew of no explanation for the apparent suicide. Chief Bolger accompanied the husband to Redwood City, Tuesday, where he gave his testimony to the assistant district attorney.

Other matters requiring the attention of the local police in the past few days included several accidents and thefts.

Officer George Hopman investigated an auto accident in front of 6390 Mission street, January 17 at 11 a. m. Drivers were Jess Crowder, 247 Knowles avenue, and Diva Ciarlo, Alameda. Damage was described as slight.

Officers Roland Petrocchi, Dean Wood and Archie Banfield took Mrs. Anna Avilla, 1228 Brunswick street, to Alemany Emergency hospital in the county ambulance when she fell down stairs at 1167 Brunswick street, injuring herself, January 19, 5:45 p. m. Banfield and Mather used the ambulance January 22, 9:20 p. m., to rush Mrs. L. B. Thomey, 343 Willis street, to Alemany and then to Community hospital when she was badly burned.

While on patrol early Sunday morning, January 21, Officers Roy Beecher and James Welsh noted two men in the lot next to Wit's End, 6055 Mission street. Suspicious of the pair's actions, the officers stopped them for questioning. Both tried to run and hide. Interrogated at police headquarters it developed that Joseph Sliskovich, San Pedro, was an Army deserter. His companion, Albert R. Brajevich, also gave San Pedro as his home address.

The officers went back to Wit's and searched the vacant lot. They found gloves, a screwdriver, and flashlight, evidently hidden by the duo. Investigation revealed that the door at the tavern had been jimmied and the impressions left fit the screwdriver found in the lot. Brajevich admitted ownership of the gloves but denied knowing anything about the flashlight and screwdriver.

Sliskovich was booked enroute to the Provost Marshal and Brajevich was scheduled to appear at city court here for preliminary hearing, February 2.

At 3:52 a. m., January 22, someone phoned in to report that lights were going on and off at the Colma Italian cafe, 7379 Mission street. Officers R. Beecher and Welsh responded and discovered a back window broken.

Dozen Offenders Pay Fines At Court

More than a dozen offenders paid fines at city court, Friday afternoon, January 19. Judge William J. Sweeney presided at the session.

Largest sum paid by any violator up before the court, Friday, was \$50. This was the fine meted out to Albert Kennedy, 753 Bush street, San Francisco, who pled guilty to a charge of driving while drunk.

Girl Scout Leaders Discuss Urgent Problem

Two urgent problems will be discussed by the Girl Scout Leaders association at their meeting Monday night, January 29. They are the securing of new leaders and the acquisition of adequate meeting places for the troops now in existence and those shortly to be organized.

The session will be held at the home of Mrs. Betty Eschenauer, 161 Miriam street, beginning at 8 o'clock. Mrs. Muriel Pabst is to preside.

Guest speaker will be Mrs. Cora Oberg, representing the Daly City-Colma Girl Scout Council, who will discuss all camping possibilities with the leaders.

Twenty-six Men To Report, Feb. 14

February 14 may be Valentine's Day for some people but for 26 men under the jurisdiction of Daly City Draft Board No. 103 it will be the date on which they report for induction into the armed forces. The new call has just been received by Mrs. Isabelle Flynn, chief clerk.

Among those who took pre-induction physical examinations, January 19, the following local men passed: Lloyd Rizzo, Colma; Augustine Pedemonte, 121 Moltke street; Peter Conci, Colma; Henry Sutter, Colma; Manuel Pombo, Colma; Dario Bonfantini, Colma.

Local men among the eighteen who were actually inducted into the armed forces, January 17, were: Jose Ordenez, Colma, who went into the Army; Dino Donati, 32A Flournoy street, Navy; John Winland, 227 Los Olivos avenue, Army; William Buckingham, Colma, Navy; Emil Gardella, 156 Whittier street, Army.

The local board is continuing the task of reclassifying all 4-Fs to be ready for the national work-or-fight order.

Date for the next pre-induction physical has not been received as yet. January 20 seventeen men took the exams but report has not been made to the board as yet as to which passed the physicals.

March 15 Deadline For Declarations

Estimated Declarations on 1945 income must be filed by March 15, Collector of Internal Revenue Harold A. Berliner of the First California district said today.

The collector pointed out that under the new tax laws persons deriving incomes from salary or wages, subject to withholding tax need not file Estimated Declarations unless the salary for a single person is \$5000 or more. A married couple will not be required to file Declarations on 1945 earnings unless their combined wages are expected to exceed \$5,500. A married couple with one dependent will not be required to file unless their combined earnings exceed \$6000.

A married couple with two dependents will not be required to file the declaration unless their wages exceed \$6,500.

An allowance of \$500 is made for each additional Surtax Exemption over and above the original \$5000 annual anticipated earnings the collector said.

It was pointed out that persons receiving \$100 or more annually from sources not subject to withholding tax, such as income from rents and business must file the declaration if their total earnings are sufficient to require the filing of a return.

Red Cross Workroom Completes Third Year

Mrs. Mary Crane who heads the sewing division of the Daly City Red Cross Production workroom has issued a report for 1944, which shows that local women donated 2,450 hours of time to turn out 3,350 articles. Included were housewives, kit bags, women's bed jackets, men's bathrobes. Army, Navy, and lend-lease received the output of the local workroom located in Theatre hall.

Average attendance at the sewing sessions was 15 women. In addition more than twenty women have knitted throughout the year, giving 2,365 hours and completing 225 articles such as gloves, rifle mitts, stump socks, bed socks, helmets, beanies, and sweaters.

December, 1944, concluded the third year of operation for the Daly City workers. Besides the sewing and knitting, thousands of surgical dressings were produced. Reports on the making of bandages was previously made by Mrs. Ruth Morris, chairman. The surgical dressing portion of the work has been discontinued for the time being but the sewing group continues to meet every Wednesday from 10 a. m. to 4 p. m.

Local women who have earned their three year service bars include Mrs. Mildred Ventura, Mrs. Rose Sweeney, Mrs. Morris, Mrs. Helen Greig, Mrs. Lillie Pezzola, Mrs. Blanche Layne, Mrs. Lillie Cavanaugh, Mrs. Lita Curtis, Mrs. Madeleine Fellows (general chairman of the Red Cross here), and Mrs. Crane.

Two year bars have been earned by Mrs. Marguerite Bradley, Mrs. Clara Poket, Mrs. Cecil Caley, Mrs. Vivian Pahlka, and Mrs. Ann Nolte. Mrs. Mildred McGee has her one year bar.

Announce Speaker For Graduation

Stanford Hannah, superintendent of the local high school district, will be guest speaker at the graduation program of the Jefferson Elementary schools Friday evening, February 2, according to R. L. Crane jr. In addition, the exercises, to start promptly at 8 p. m. in the high school auditorium, 6996 Mission street will include several musical selections, talks by pupils, and the presentation of diplomas.

The elementary schools orchestra will open the program with an overture; the audience will join in the pledge of allegiance and the singing of "The Star Spangled Banner." Mario Stanghellini, one of the graduates, will play a trumpet solo. Other pupils participating will be Myrna Ihrie and Virginia Marsh, a duet; Theresa Mabon and Beth Calvin, "Adaptability and Adjustment in Wartime," talks; Myrna Ihrie, "Your World Tomorrow," a talk. The graduates' chorus will sing several numbers.

Admission to the graduation program of the local elementary schools, Crocker, Jefferson, and Woodrow, is by invitation only.

At the high school there will be no commencement program for the January graduates. The class is so small that diplomas simply will be issued to those completing their work, January 26.

At both the local public grammar and high schools the new school term will begin Monday, February 5. At the high school classes meet at 8:15 a. m. February holidays will include Lincoln's birthday, February 12, and Washington's birthday, February 22.

Superintendent Crane reminded the public that youngsters should be registered for kindergarten and the first grade February 5, between 8:30 and 9 a. m. In order to be eligible for kindergarten, a

Daly City's council was shown tentative plans which if carried through would mean the addition of more than two hundred homes to the community, at Monday night's regular meeting in the city hall. Engineer R. A. Klassen described the proposed addition, to be called Edgewood Village. It would be located along the east side of Hillside boulevard, extending from south of the rock quarry to Gambetta. A resubdivision of some of the Crocker acreage, the lots were laid out by Punnett, Perez, and Hutchison, civil engineers. The builders, Stoneson Brothers of San Francisco, indicated that rapid progress would be made on the project. More homes might be added to the original schedule of 210 in the future.

Councilman Eugene V. Lynch presided as chairman, Monday night, in the absence of Mayor A. J. Gaggero. Councilmen Howard McHugh and Edward Dennis were present. Councilman B. L. Meritt, who was extended another leave of absence, is still in Washington.

When communications were read, a request from Kusber and Page company was considered. The firm, which produces essential items, asked that it be allowed to tap into the city mains to provide added fire protection for the plant. Permission was given for the company to tap into the mains. The firm will provide its own stand pipes and hose reels. Details were to be worked out with Water Department Superintendent Arthur Bodien.

A sanitary complaint sent to the council by a resident on Hillcrest drive was referred to Deputy Health Officer Fred Collins.

County Executive Fred Peterson asked that Bodien attend a meeting at his office, January 24, to discuss the entire county ambulance service situation. Bodien stated that he would like to have the chief of police accompany him. He intended to call to the county's attention that during 1944 the ambulance stationed here answered one hundred calls for traffic and other emergency situations. It has traveled over 1,000 miles. The ambulance supplied by the county has been in service here since August 1 of last year and has been used for 79 of these calls.

The council voted to contribute \$15 to the San Mateo County Tuberculosis and Health association.

When it was called to the council's attention that sidewalks on the west side of Mission street were becoming hazardous, it was decided to have immediate repairs made. The city street department will continue its fill work and repair holes and cracks in the walks. At the same time the city attorney was asked to check on the legality of insisting that property owners who are not keeping fences in repair do so at once as no permanent improvement can be made without their cooperation.

Although the council expressed their intention to cooperate with the various Girl Scout, Boy Scout, and Sea Scout groups needing meeting places, no definite decision was made. Meeting schedules and available city-owned quarters were to be discussed further at the caucus meeting, January 29.

The city clerk, B. C. Ross, was instructed to write the San Francisco railway pointing out that local people were being charged 10c instead of 7c to ride from Daly City to Colma.

From the floor requests were made that the city publish a financial statement and that a more detailed report of the water department, covering the master water meter reading and the amount of water pumped from the reservoirs to the consumers, be made.

"NONE BUT THE LONELY HEART"

The title of Richard Llewellyn's popular novel, "None But the Lonely Heart," is drawn from the musical composition of that name by Tchaikowsky. It is this plaintive music which Aggie Hunner (Jane Wyatt) plays on her cello to the fascination of Ernie Mott (Cary Grant), whose ear is attuned to perfect pitch. This passage from the book is reflected in the above scene from the RKO Radio picturization, directed by Clifford Odets, now at the Daly City theatre.

want to own a home—are now available
at Bank of America through *Vet-loan Plan*.

Farm and *business* loans through *Vet-loan Plan* also will be available as soon as official forms come from Washington.

News From Jeff District Schools

AT CROCKER

Bruce Miller, Room 2, visited with friends in San Bruno over the weekend.

The pupils of Room 3 welcomed back to their class Barbara Miller. She had been ill.

The students in Room 4 are studying the "Story of Lighting," which has been very interesting. This has made them realize how fortunate they are to enjoy the electric lights of today.

Room 6 is studying as their unit in social science "Travel By Air," and the class has shown a great deal of interest in this subject. They have made charts, air route maps, model planes, and are now working on an aviation booklet.

AT WOODROW

This week one of the reading groups in Room 1 is learning all about how some animals use food stored by plants. The children are finding the lives and habits of these animals very interesting.

Slides on important food commodities grown within the United States have been seen by the pupils of Room 4.

The children who entered the Lincoln Essay contest worked hard on their contributions. Lorraine Cady, Joy Bedford and Dolores Dillaboy of the high sixth wrote interesting stories of the life of the sixteenth president.

Those whose essays were sent in from the low seventh are Nancy Laumond and Charles Goodnol.

The pupils in the sixth grade are learning the uses and mysteries of electricity and realizing how the wireless and radio in-

fluence life today.

The students of Room 12 are learning to check each other in their spelling by testing each other; to check on the meaning of the words which they are learning they compose sentences employing the new words.

James Stevens, a new pupil in the low fourth room, transferred here from San Francisco.

Room 14 is studying the opera "Hansel and Gretel."

AT JEFFERSON

The Jefferson eighth grade term spelling contest ended last week with Team 'A' coming out as winner. At the beginning of every school term, children in the

eighth grade are divided into 'A' and 'B' spelling teams. The two best spellers of the first spelling match are designated captains of the 'A' and 'B' teams. This past term Estelle Parodi of the low eighth has been captain of Team 'A', and Paul Willbanks has captained Team 'B'.

The records for this term now show that Team 'A' achieved eleven more winning matches than Team 'B'. Now, Team 'B' will have to pay the customary loser's penalty and present to each member of Team 'A' an enlarged snapshot of Jefferson school.

Last Tuesday afternoon, Bobby Hummel of the eighth grade showed his classmates some war souvenirs loaned him by his brother Joe, a gunner in the U. S.

Navy, who is now home on furlough. The souvenir of greatest interest was the yellow silk parachute used in lowering provisions to ground forces. The hand grenades and various coins and invasion currency were also given careful inspection.

Children in the second and third grades have been learning about stamp values. This week they decided to see how many coins from various countries they could get together. The result was a surprising collection of coins from many countries, such as China, Japan, Italy, Cuba, Mexico and England. Andrew Michelotti brought his brother's penny collection, with some of the pennies dating back to the beginning of the century.

Soup recipes

OLD-FASHIONED VEGETABLE SOUP

Family-style favorite

2 lbs. beef soup-bone or meat trimmings or stew meat
3 qts. water
2 stalks celery
1 medium-size onion
½ cup thinly sliced celery
2 tsps. salt

1½ cups carrot strips
1 cup turnip strips
½ cup finely diced onion
½ cup coarsely diced potato

Place soupbone in large kettle; add water; heat to boiling. Skim.

Add celery stalks, the onion cut in half, and salt. Cook slowly about 4½ hours.

Strain.

Add sliced celery, carrot strips, turnip strips, and diced onion and potato. Cook uncovered 30 minutes longer, or until vegetables are just tender.

Serve hot. Serves 6, allowing approximately 1 cup per serving.

LIMA BEAN CHOWDER

Try this with cabbage salad

1½ cups dried lima beans
1 cup finely chopped onion
1 cup finely diced carrots
1 cup thinly sliced celery
½ tsp. onion salt

½ tsp. salt
½ tsp. celery salt
½ tsp. pepper
2 cups milk
½ cup finely cut parsley

Pick over and wash beans. Soak in water to cover 6 to 8 hours or overnight. Do not drain.

Place beans in 4-qt. kettle; add enough water to cover; cook, covered, until tender, about 1½ to 2 hours. Mash.

Add onion, carrots, celery, and seasonings. Cook until vegetables are tender, about 20 minutes.

Add milk and parsley; heat to boiling. Serves 6, allowing about 1 cup per serving.

SOUP POT TIPS

Though soupbones may be scarce, the bones from roasts and other cuts of meat may be used to prepare a stock for vegetable soups. To add flavor, the tops or outer leaves of vegetables may be added to this stock. They should be strained out before using the stock as a basis for soup. These vegetable soups may be made heartier by adding rice or barley to the soup stock.

When serving soup as the main dish of a meal, especially for supper, it's a good thing to have a double amount, for it takes lots of it to satisfy a healthy appetite.

Add slices of frankfurters, bits of lunch meat, diced ham or other cold meats to your favorite cream of vegetable soup to make a hearty whole-meal soup. Such a soup is ideal in the thermos for packed lunches.

Jeff 130s Meet Their First Defeat

Jefferson Union high school's 130s lost their first basketball game of the season to South San Francisco, last Friday night. This defeat placed them in a 3-way tie with San Mateo and South City for first place in the P. A. L. championships.

At the end of the first half, score was 4 to 2, with South City playing a tight defensive game. Near the end of the game the score was 13 to 14 but South City managed to sink several baskets during the closing minutes of the game, running up 18 points to Jeff's 13.

The game was played at South San Francisco. Jeff's Coach Elman Rose said South City showed the best defensive play of the season. The Jeffs had won eight straight games, including practice games with San Francisco teams and regular P. A. L. contests until the upset at South City.

The Varsity lost to South City by a score of 23 to 8. At half-time, score was 11 to 4. South City has the only undefeated varsity in the league. Coach Rose said the Jeff varsity played its best game of the season and looked considerably improved last Friday night.

Both the 130s and the varsity from Jefferson will play at Half

UNITED AIR LINES

YES, we know there's a war going on!

—but here's how we're trying to overcome
the difficulties of wartime travel

Our trains are longer and schedules are slower now. Space is hard to get. People frequently have to stand in line to buy tickets or to get into the dining car. In short, our service isn't what it was before the war.

The main reason is, of course, that our volume of passenger traffic is *five times* that of 1940, with just about the same number of cars we had then. And, like everybody else, we are short of help.

However, this company is determined not to just give up and blame everything on the war. Wherever possible we have taken aggressive steps to lessen the difficulties of wartime travel. For example:

1 Our "train assignment plan" for coach passengers has to a large extent eliminated overcrowding and standing on our long-distance trains. We endeavor to sell only as many seats as are on the train, and each passenger gets a reservation slip.

2 "Passenger aides," capable trained women, have been stationed on long-distance S. P. coach trains. They assist women traveling with children, help prepare "formulas" for the babies, aid the aged and infirm, and perform other services to make the journey as comfortable as possible for everyone.

3 In spite of the shortage of help, we have greatly expanded telephone reservation bureaus, increased our forces handling reservations, and devised new reservation systems, which are constantly reviewed. The situation is not perfect, but it is much better than it was.

4 We have increased the number of chair car porters, so that cars are now generally kept quite clean, a difficult problem because of the litter from box lunches, etc. Big trash boxes in the vestibules have helped, too.

5 "Train service agents" have been added to the staffs of long-distance coach trains. These men supervise all service features on the train, direct the chair car porters, see to it that the trains are kept tidy, try to overcome difficulties and meet emergencies.

We don't claim that all our people are perfect. They're human beings, and are under the strain of crowded war conditions. By and large we think they're doing a swell job and we're proud of them.

SEVENTEENTH DISTRICT MEETS

Honoring the memory of Miss Victoria Roussel, past president of Seventeenth district, California Congress of Parents and Teachers, and chairman of illustrations, a minute of silent prayer followed the glowing tribute paid to her by Mrs. L. G. Owen, Redwood City, first president of the district, at the executive board meeting held in the Burlingame high school Little Theatre Thursday, January 18.

State Board reports for November and January were given by Mrs. L. G. Evans, president. On the question of compulsory military training, Mrs. B. D. Bevil, State Legislation chairman, announces, "At this time the California Congress of Parents and Teachers neither opposes nor endorses compulsory military training. We are not opposed to any measures necessary to the maintenance of national security and a permanent peace. Since the operation of the Selective Service act will continue to provide a sufficient number of trained men for our country's present and immediate post-war military needs, we urge that legislative action on peace time programs be delayed until the shape of the international organization is clear."

A compulsory course in first aid for all schools was advocated by Glen Shingledecker, representative of the National Chapter of Red Cross for Water Safety and Accident Prevention. Fifty per cent of the schools now offer the course but only one school makes it compulsory.

An urgent need for foster homes in the county was announced by John S. Cowgill, chief probation officer of San Mateo county. The support of P. T. A. was asked for the petition to add to the probation department personnel and the establishment of a new juvenile home.

Association standards, the thirteen requirements and the honorary fourteenth, were explained to the unit presidents by Mrs. Walter Lehigh, corresponding secretary.

Group study of the correspondence course offered by the State organization was urged by Mrs. F. C. Beach, director of education.

Mrs. Stella L. Jensen, Colma, life membership chairman, will

head the committee appointed by Mrs. L. G. Evans, president, for the awarding of Honorary Life Memberships to be presented at the Founder's Day meeting to be held February 15 at the Chadbourne school in Millbrae.

"Apothecary Atmosphere"

★ We've never been ashamed of the fact that our establishment has the "aroma of an apothecary." Because that's emphatically what it is, and we hope always will be. Here, the compounding of prescriptions is a primary consideration. Your physician will assure you that we bring to the task exceptional skill, and maintain the highest ethical standards. Next time why not come confidently to Prescription Headquarters?
